

U-Guards Metallic Cable Guards

Key Features

- Flanged edges do not require additional brackets for installation for greater ease of use and installation
- Available in convenient sizes for application flexibility and ease of installation
- Direct mounting for extended protection
- Made of heavy gauge steel for durability and low maintenance costs
- Provided with our proprietary gray-green paint for longer life

Description

U-Guards are strapless flanged u-shaped cable guards, manufactured of heavy gauge steel, with a gray-green finish. Sold in packages of five.

Application

U-Guards protect cable mounted along a wall or pole and splice points.
