

Cable Guards

Key Features

- Flanged edges do not require additional brackets for installation for greater ease of use and installation
- Available in a wide range of convenient sizes for application flexibility and ease of installation
- Direct mounting for extended protection
- Made of heavy gauge steel for durability and low maintenance costs
- Provided with either our proprietary gray-green paint or a hot-dipped galvanized finish for longer life

Description

U-Guards are strapless flanged U-shaped cable guards, manufactured of heavy gauge steel, with either a gray-green or hot-dipped galvanized finish and .312 x .438 slotted mounting holes.

U-Guards

Application

U-Guards protect cable mounted along a wall or pole and splice points.
